**THE PROVO ROSE**

Brialliant-cut diamond set in platinum pendant weighing 10.09 carats. Accompanied by GIA report no. 15284724 stating that the diamond is vivid orangy pink colour, VS2 clarity, HPHT processed.

The 10.09 carat diamond named "The Provo Rose" is the largest fancy vivid colour enhanced diamond in the world. The natural diamond was transformed into a fancy vivid orangy pink using advanced HPHT technology developed by Sundance Diamonds. The Provo Rose is a classic 58 facet round diamond with VS2 clarity, set in a platinum pendant and surrounded with diamonds. The GIA has graded the Provo Rose a fancy vivid orangy pink with an even saturation of colour and with good polish and symmetry.

Inscribed on the girdle is "HPHT Processed Sundance Treated Color."
